

The London Community Hebrew Day School is home to families from diverse backgrounds including those affiliated with Conservative, Reform and Orthodox Judaism, as well as those who are unaffiliated. It is a school for all Jewish students regardless of their background. Our students benefit from small class sizes, outstanding academics and the development of leadership and communication skills that will benefit them for the rest of their lives.

Currently we are seeking a Hebrew teacher for our senior kindergarten class, to teach 2 to 3 mornings a week. This would require applicable experience working with children with a preference for candidates with teaching certificates. Responsibilities include planning and implementing lesson plans, introduction of holidays, culture, an elementary understanding of the Hebrew Aleph-bet and Hebrew language, as well reporting on students' academic progress. Police check and Canadian working visa required.
